

# Instant Retail Display Rack

## Set up in seconds.

Showcase your products with ease using our new instant retail display. The set up takes seconds and each shelf can hold up to 55 pounds. Merchandisers will appreciate no tools or hardware are needed for assembly and the full color graphics ensure maximum brand visibility.

## Features

The new display is a patented product from Europe. OneTouchPoint has partnered with the exclusive licensee for all of North America.

**Material:** White double wall corrugate.  
Prints 4-color
